Staff Name	:	A.MUTHULAKSHMI
Faculty ID	:	10011
Date of Joining	:	12.06.2008
Designation	:	ASSISTANT PROFESSOR
Qualification	:	M.TECH
Teaching Experience	:	10 YEARS
Area of specialization	:	CHEMICAL ENGINEERING
Subjects handled	:	<ol style="list-style-type: none">1. Principles of Chemical Engineering2. Mass transfer Operations3. Chemical and Bio thermodynamics4. Unit Operations5. Downstream Processing6. Chemical Reaction Engineering7. Bioprocess Engineering8. Enzyme engineering and Technology9. Applied Thermodynamics For Biotechnologists10. Heat Transfer Operations11. Stoichiometry and Fluid Mechanics
Books published	:	NIL
Journals published	:	4
Conference / workshop attended	:	Conference – 8 Workshop - 9
Patent details	:	2 Patent filed
Funded Project Details	:	1
Awards & Acheivements	:	Received AICTE FDP grant for the title “Specialization of Bioreactor techniques in the trend of Biotechnology” for Rs.2 lakhs during 19-29 th April 2010.
