

Report on the workshop conducted by the Department of Information Technology Jeppiaar Engineering College, Chennai

The Department of Information Technology, Jeppiaar Engineering College, Chennai conducted a Two days National Workshop on 11th & 12th August, 2014, on “Big Data in Cloud”.

Pre-workshop initiative:

The workshop brochure was sent to various Engineering colleges in Tamilnadu state through post as well as e-mail. The workshop invitation had been sent to all the registered delegates. 85 delegates registered and actively participated in this workshop. A registration fee was collected and Kit (File, Pen, and Scribbling pad) was provided to all the registered delegates and special invites.

Inaugural Session:

The inaugural function was started with a Thamizh Thaaai Vaazhthu at 9:00 a.m. followed by the launching inaugural video by the Director Mrs M Regeena Jeppiaar. After that, Dignitaries on the stage were honored with a Memento. Dr Sushil Lal Das, Principal delivered the keynote address. Chief Guest Mr Lawrence Mohanraj, DGM Academic Initiative of IBM Corporation presided over the function. Lawrence Mohanraj is Deputy GM at IBM India, presently leading the IBM Academic Initiative in the South & West, with a special focus on Industry connect. Prior to his current role, he has served as a Consulting Services Leader for IBM in South. In his presidential address, he highlighted the importance of Big Data and Cloud platform today.

Focus of the Workshop:

This program aims at exposing Cloud Computing and the rise of Big Data to the PG/UG students and research scholars, enables them to understand, explore, research and contribute to the domain.
