

STUDENT PUBLICATIONS

Academic Year : 2015-2016

1. **N Kandasamysuryaprakash, T N Devaprakash** presented a paper titled “Design of Low power Multipliers with Braun Architecture using Column Bypassing Multipliers” in “The Second International Conference on Science, Technology, Engineering and Management” on 30th and 31st March 2016, conducted by Jeppiaar Engineering College, Chennai.

Academic Year: 2014-2015

1. **M Shanmathi, A Catherin Infant, K V Sujitha** published a paper titled “Region Based Segmentation and Analysis of Carpal Bones Using Fuzzy C Means Algorithm” in “The First International Conference on Science, Technology, Engineering and Management” on 23rd March 2015, conducted by Jeppiaar Engineering College, Chennai.
2. **G Mathumitha, V Dorathe** published a paper titled “Reduction of Leakage Power in Full Adders at 32nm Technology” in ”The Fourth National Conference on Recent Advancements in Signal Processing and Communication(NCRASPC-2015)” on 23rd March 2015 conducted by Jeppiaar Engineering College, Chennai.
3. **U DinuAnand, N Kandasamysuryaprakash** published a paper titled “Efficient Balancing of Frequency Response in Head phones using Moving Average Filter and FFT Algorithm” in “National Conference on Innovative Vogue in Electronics and Communication 2015” on 27th March 2015, conducted by Madha Engineering College, Chennai.
4. **T S Jafiah , B Padminipriyanka** published a paper titled “LI-FI: Data transfer using light” in “National Conference on Innovative Vogue in Electronics and Communication 2015” on 27th March 2015, conducted by Madha Engineering College, Chennai.
5. **R Aravind, M Harinarayanan** published a paper titled “A New Defected Ground Structure for Proximity Coupled Antenna” in “National Conference on Innovative Vogue in Electronics and Communication 2015”on 27th March 2015, conducted by Madha Engineering College,Chennai.
6. **M V HareeshBabu, G Kalicharan** published a paper titled “Innovative With Gi-Fi Technology in ”National Conference on Innovative Vogue in Electronics and Communication 2015” on 27th March 2015,conducted by Madha Engineering College, Chennai.
7. **S SiddhiGupta,A Arulmozhi** published a paper titled “Virtual Touch Based Real Time Red Object Tracking using Blob Analysis Algorithm” in “National Conference on Innovative Vogue in Electronics and Communication 2015”on 27th March 2015, conducted by Madha Engineering College, Chennai.
