

STUDENT PUBLICATIONS

Academic Year: 2016-2017

1. **Q Abdul Rahman Siddique, P Amarnath, D AkilRaj, S Karthik** published a paper titled “Development of smart hearing intelligence system using bone conduction technique” in “The Third International Conference on Science, Technology, Engineering and Management” on 23rd and 24th March 2017, conducted by Jeppiaar Engineering College, Chennai.
2. **U Monica, Monishanelarani, Ranirajeswari, Sakthithamilzhiniprabha** published a paper titled “Aadhar card aided payment at the tolls (automatic) traffic control system by using GPS and QR code” in “The Third International Conference on Science, Technology, Engineering and Management” on 23rd and 24th March 2017, conducted by Jeppiaar Engineering College, Chennai.
3. **M Pavithra, S Pavithra, S Srinidhi, R Usha**, presented a paper titled “Digitalized Purchase with no billing using IOT application” in “ The Third International Conference on Science, Technology, Engineering and Management” on 23rd and 24th March 2017, conducted by Jeppiaar Engineering College, Chennai.
4. **J Agnes Jennefer, A Bhuvana Angel, G Lakshmi Prasanna** presented a paper titled “Wireless Sensor Network Based Border Surveillance Using Multiple Signatures” in “TheThird International Conference on Science, Technology, Engineering and Management on 23rd and 24th March 2017, conducted by Jeppiaar Engineering College, Chennai.
5. **V Vaishnavi, M RemilaDaslin, R Sri Brindha** presented a paper titled “Real Time Implementation of Smart Trash Can Using IOT” in “The Third International Conference on Science, Technology, Engineering and Management” on 23rd and 24th March 2017, conducted by Jeppiaar Engineering College, Chennai.
6. **V Ranjani, J Sowmya, P Veeralaksmi** presented a paper titled “Smart sensor interface reconfiguration for industrial parameter survey in IOT environment” in” The Third International Conference on Science, Technology, Engineering and Management” on 23rd and 24th March 2017, conducted by Jeppiaar Engineering College, Chennai.
7. **A RocheNishanth, S Subramanian, S Vivekadithya** presented a paper titled “FPGA Implementation of Adaptive Beam forming using Three Radial Basis function Neural Networks” in “The Third International Conference on Science, Technology, Engineering and Management” on 23rd and 24th March 2017, conducted by Jeppiaar Engineering College, Chennai.
8. **P Rubini, C Purni, R Soniya** presented a paper titled “Implementation of Smart Tillage System (STS) using Wireless Technology” in “The Third International Conference on Science, Technology, Engineering and Management” on 23rd and 24th March 2017, conducted by Jeppiaar Engineering College, Chennai.
9. **J S Senovia Rodriguez, M SonyJenusha, I VinoGloria, M Yuvamathi** presented a paper titled “Diabetic Retinopathy screening using skin locus model” in “The Third International Conference on Science, Technology, Engineering and Management” on 23rd and 24th March 2017, conducted by Jeppiaar Engineering College, Chennai.
