

# STUDENT PUBLICATIONS

Academic Year: 2017-2018

1. **V Prakasam, RajshekharDatta, A S Roger Agash, B Royston Britto**, published a paper titled “Wireless Black Box using MEMS Accelerometer and GPS Tracking For Accidental Monitoring of Vehicles” in “The Fourth International Conference on Science, Engineering and Technology” on 23<sup>rd</sup> and 24<sup>th</sup> March 2018, conducted by Jeppiaar Engineering College, Chennai.
2. **C Sanjeeth Kumar, L S SibiRajan, K Tharun Kumar, V VaradhaRajan**, published a paper titled “Cognitive Industrial Load Control in a Virtual Reality” in “The Fourth International Conference on Science, Engineering and Technology ” on 23<sup>rd</sup> and 24<sup>th</sup> March 2018, conducted by Jeppiaar Engineering College, Chennai.
3. **K G VijaySundar, S Rabeesh Raja, R Manikandan**, published a paper titled “Baggage Tracing and Handling System using RFID and IOT for Airports” in “The Fourth International Conference on Science, Engineering and Technology” on 23<sup>rd</sup> and 24<sup>th</sup> March 2018, conducted by Jeppiaar Engineering College, Chennai.
4. **R S Vignesh, G Mariya Sunil Kennet, R Sri Ram, V Vasantha Kumar**, published a paper titled “Automatic power generation in Train” in “The Fourth International Conference on Science, Engineering and Technology” on 23<sup>rd</sup> and 24<sup>th</sup> March 2018, conducted by Jeppiaar Engineering College, Chennai.
5. **M DhanuSankar, A Leo Martial, Chaganti Ajay Sai Kumar Chowdray, N H Irfan**, published a paper titled “Development of Ambient Environmental Monitoring System through Wireless Sensor Network (WSN)” in “The Fourth International Conference on Science, Engineering and Technology” on 23<sup>rd</sup> and 24<sup>th</sup> March 2018, conducted by Jeppiaar Engineering College, Chennai.
6. **R P Suresh, V Venkatesh, B G Saravana Kumar, S Rajapandian**, published a paper titled “Development of Algorithm for Target Detection and Motion Parameter Estimation Using TRT-SGRFT” in “The Fourth International Conference on Science, Engineering and Technology” on 23<sup>rd</sup> and 24<sup>th</sup> March 2018, conducted by Jeppiaar Engineering College, Chennai.
7. **M Akshayasri, P Blessy, J Deepa, G BenittoJeraldine**, published a paper titled “Vehicle Registration Details Extraction System using GSM” in “The Fourth International Conference on Science, Engineering and Technology” on 23<sup>rd</sup> and 24<sup>th</sup> March 2018, conducted by Jeppiaar Engineering College, Chennai.
8. **N Ponni, R S Rakshana Sri, M Shanthini, V Suganthi**, published a paper titled “Smart Monitoring of Water Tank using IOT Cloud Server” in “The Fourth International Conference on Science, Engineering and Technology” on 23<sup>rd</sup> and 24<sup>th</sup> March 2018, conducted by Jeppiaar Engineering College, Chennai.
