

STAFF DETAILS

Staff Name	:	Dr. J. JEBASTINE
Faculty ID	:	10032
Date of Joining	:	23.06.2003
Designation	:	PROFESSOR & HEAD
Qualification	:	M.E., Ph.D
Teaching Experience	:	21 Yrs.
Area of specialization	:	Digital Signal Processing
Subjects handled	:	Signals and Systems, Principles of Digital Signal Processing, Control Systems Engineering, Medical Electronics, Antenna and Wave Propagation.
Books published	:	4
Journals published	:	29
Conference / workshop attended	:	61 Conferences / 18 Workshops
Patent details	:	3 Patent Published , 1 Patent Granted
Awards & Achievements	:	<p>6 Times Best Teacher Award</p> <p>Produced 100% results in Digital Signal Processing, ASIC and FPGA Design, Electromagnetic Interference and Compatibility, Real Time Embedded Systems, Total Quality Management.</p> <p>Member of the Syllabus Sub Committee for framing the Curriculum and Syllabi for B.E – Electronics and Instrumentation Engineering and B.E – Instrumentation and Control Engineering under R-2021 For the Non Autonomous Affiliated Colleges of Anna University.</p>
