

About the institute

Under the aegis of our Honourable Chairman, Col. Dr. Jeppiaar, Jeppiaar Engineering College was inaugurated on 15th August 2001 as one of the spearheading institutions of Jeppiaar Educational Trust. The honourable enthusiastic Director Mrs.M.Regeena Jeppiaar fosters the quest for talents in students. The boundless energy of Dr. Sushil Lal Das, Principal of the college, is also a source of inspiration to our students. Jeppiaar Engineering college is affiliated to Anna University and in the short period it has grown into an institution that provides excellent technical education for the benefit of overall growth and development of the students .

About the Department

The department of Electrical and Electronics Engineering is offering B.E (EEE), M.E (Power Electronics & Drives). The department is enriched with latest lab equipment and promotes R&D activities in related areas in collaboration with industries, wherever possible. The department has well equipped Power Electronics & Drives Lab and power simulation lab with State of art technology. The faculty members are well experienced and dedicated towards the upliftment of the student community.

Objectives

The primary objective of the seminar is to provide a fundamental Knowledge on the real time application of embedded systems in industries and their related problems. To give participants a clear idea regarding the present scenario of embedded applications.

Course Contents

- Recent Trends In Industrial Automation & PLC-SCADA
- Introduction to Allen Bradley PLC
- Introduction to “In Touch” SCADA
- Communication With PLC
- Configuration of SCADA systems
- Live case studies and applications

Resource person

**Mr. N. Gopalan Manager,
CARTEL AUTOMATION PVT LTD
Chennai**

Cartel Automation, with its head quarters in Chennai, is expertise in Plant automation, Process instruments and measurement systems and embedded technology. We gain client’s confidence & recognition during the stages of design, development and implementation. We are happy and proud that our solution gives clients, good returns on their investments.

REGISTRATION FORM

**Two Days National Level Seminar
and Workshop on**

**“Advance Industrial Automation
Using PLC & SCADA”**
