Kancheepuram Chapter

Institute ID :101270

OVERVIEW

Computer Society of India is the first and largest body of computer professionals in India. It has 74 chapters across India, 551 student branches, 1000 Institutional members and more than 1,50,000 members.

Jeppiaar Engineering College Student Branch of CSI Kancheepuram Chapter was formed on **December 5th 2006** and was inaugurated on the same day. At present there are around 75 student members are participating in various events.

The Computer Society of India is a non-profit professional meet to exchange views and information, learn and share ideas among professionals. The Department of computer science and engineering , Department of Information technology and Department of Artificial Intelligence and data science in association with Computer Society of India regularly organizes **workshops, seminars, conventions, technical**

talks ,Project Expo and Hackathon ,Coding Competitions every year.

- ✓ Conducted National Level Student Convention on March 21st & 22nd 2019(obtained a **grant of Rs.70,000/** from Computer Society of India).
- ✓ Conducted Regional Level Student Convention for Region-7 From January 23rd to 24th2018 (obtained a **grant of Rs.35,000/** from Computer Society of India)
- ✓ Conducted State Level Student Convention From October 25th to 26th 2016 (obtained a **grant of Rs.25,000/** from Computer Society of India).
- ✓ Organized National Level Annual Tech fest **COGITO 20** on March 05th & 06th 2020.
- ✓ 27th and 28th of April 2023 we have conducted **National Level 24 Hours HACKATHON '23** in association with **Startup Tamilnadu** successfully.

✓

These types of events will develop leadership qualities and technical skills of students.

Jeppiaar Engineering college received best supporting college award from CSI Kancheepuram chapter during academic year 2021-2022 and 2022-23.

OBJECTIVE OF THE PROGRAM

The goal of a Hackathon is to create functioning software or hardware by the end of the event. Hackathons tend to have a specific focus, which can include the programming language used, the operating system, an application, an API, or the subject and the demographic group of the programmers.

BENEFITS IN TERMS OF LEARNING/ SKILL/ KNOWLEDGE OBTAINED

- Enhanced technical Skills
- Networking Skills
- Expanded Professional Development
- Innovative thinking Progress
- Exposure to present Technologies
