

## DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

### ICONSTEM 2023 International Conference

**Title:** International Conference on Science, Technology, Engineering and Management (ICONSTEM 2023)

**Date:** March 9–10, 2023

**Venue:** Jeppiaar Engineering College, Chennai

**Organized by:** Department of ECE, Jeppiaar Engineering College

The International Conference on Science, Technology, Engineering, and Management (ICONSTEM 2023) brought together researchers, academicians, and industry experts from around the globe to present their latest innovations and research findings. The two-day event served as a vibrant platform for knowledge exchange and networking among participants from multiple domains.

### **Highlights of ICONSTEM 2023:**

- **Inaugural Session:** The conference was inaugurated by [Chief Guest Name, e.g., Dr. A. Kumar, Director, DRDO], who delivered an inspiring keynote on emerging technologies in AI and space research.
- **Technical Sessions:** Over **150+ peer-reviewed papers** were presented across parallel sessions in tracks such as Artificial Intelligence, IoT, Data Science, Green Technology, and Engineering Management.
- **Workshops & Panels:** Workshops on AI tools, patent filing, and research ethics added practical value to the event.
- **International Participation:** Scholars from more than **10 countries** including the USA, UK, and Malaysia joined virtually and physically to present their research work.
- **Proceedings & Publications:** Selected papers were published in **Scopus-indexed journals**, promoting high academic visibility.

### **Important Dates.**

- Extended date for Abstract Submission: 7<sup>th</sup> Jan 2023.
- Extended date for Submission : 30<sup>th</sup> Jan 2023.
- Notification of Acceptance Date : 15<sup>th</sup> Feb 2022.
- Final-Paper Submission Date : 11<sup>th</sup> Mar 2023.

## Outcome:

ICONSTEM 2023 provided a strong academic foundation for interdisciplinary collaboration and offered students and researchers a chance to showcase their talents. The conference concluded with a valedictory function and award distribution for the best papers and presentations.

ICONSTEM 2023 was a grand success, fostering a culture of innovation and research among budding technocrats. The organizing committee expressed gratitude to all the participants, sponsors, and collaborators for making the event impactful and memorable.
