OUTCOME OF THE EVENT

The IET India Scholarship Award 2024 awareness event was conducted in every classroom of Jeppiaar Engineering College, ensuring maximum reach and participation. Notable outcomes include:

- ❖ Increased awareness among students about the IET India Scholarship Award and its benefits.
- ❖ A substantial number of students expressed interest in applying for the scholarship, with many requesting further information and guidance on the application process.
- ❖ The event fostered a sense of enthusiasm and motivation among students to strive for academic excellence and professional development.
- ❖ Positive feedback was received from participants, who appreciated the clarity and comprehensiveness of the information provided.
- ❖ The event strengthened the relationship between the students and the IET JEC On Campus, highlighting the organization's commitment to supporting students' academic and professional growth.
- ❖ The widespread reach of the event ensured that students from various departments and year levels were informed and encouraged to participate in this opportunity.

DATA DASH. : Unleashing Insights

EVENT DETAILS

EVENT NAME : Data Dash : Unleashing Insights
EVENT MODE : Offline
DATE : 25 September, 2024.
VENUE : IT Lab, Blue Building
TIME : 09:00 AM to 3:00 PM

ABOUT

The Data Dash: Unleashing Insights event is a comprehensive evaluation of participants' skills in data analysis, problem-solving, and presentation. Participants are judged on four main criteria, each with a distinct focus. *Problem Understanding* (20 points) assesses how clearly participants grasp the problem and align their approach with the given objectives. *Data Analysis and Visualization* (30 points) evaluates the thoroughness of data cleaning, the effectiveness of visualization, and the depth of insights derived. The *Solution and Recommendations* (30 points) category measures the accuracy and relevance of the solutions provided, the quality of recommendations, and the feasibility of their implementation. Finally, *Presentation and Communication* (20 points) examines the clarity of the presentation, quality of visual aids, and the team's ability to defend their work. This well-rounded framework allows judges to comprehensively assess each team's analytical abilities, practical solutions, and communication skills.

The screenshot displays the Unstop platform interface for the 'Insight Innovators: Data Science Quiz' event. The top navigation bar includes links for Learn, Practice, Mentorship, Compete, Internships, and Jobs. The event page features the logos of IET (The Institution of Engineering and Technology), Jeppiaar Engineering College, and Insight Innovators. The main heading is 'INSIGHT INNOVATORS Online Quiz Competition Based on Data Science IET JEC On Campus'. The event details section shows it is an online quiz updated on Sep 19, 2024, with a registration status of 'Registration Closed'. The 'Stages and Timelines' section lists two rounds: 'Data Discovery' (Sep 24, 10:00 AM IST) and 'Insight Challenges' (Sep 24, 02:00 PM IST). The 'Free' section highlights that the quiz is free to participate in, with a limit of 1000 participants per round. The 'Eligibility' section states that the quiz is open to all students with an interest in Data Science. The 'Rules' section mentions that participants must complete the quiz within the 30-minute time frame and that the use of unauthorized resources is prohibited.

OUTCOME OF THE EVENT

The quiz successfully engaged participants in two competitive rounds, enhancing their understanding of data science. Certificates and gift vouchers were awarded to top performers, motivating continued excellence. The event fostered a collaborative and enriching learning environment, driving deeper exploration of data science among students.

OBJECTIVE OF THE PROGRAM

After successfully bringing together 450+ delegates, 25+ Speakers, 7+Tech Talks, 2 panel discussions, 40+ promising projects exhibits in its 4th edition, Industry Institution Summit is back with its 5th Edition on 1st September 2023 at Feathers A Radha Hotel, Chennai.

The Industries and Institutions been operating separately are moving closer creating opportunities for skill development, Technology & innovation and promotion of entrepreneurship to cater the needs of futuristic technology. This collaboration gives rise to new Technological Advancements, Global Competitions, Innovation and Research.

This summit will feature a series of panel discussions and technical presentations along with a mini expo. The summit recognizes the importance of collaboration and knowledge sharing to drive progress. As such, it will provide a unique opportunity for industry professionals, academic researchers, and engineering students to come together and exchange ideas, insights.

ABOUT

ASPIRE – Shaping the Future with AI is an innovative ideathon organized by IET JEC On Campus, designed to inspire and empower young minds to explore the potential of Artificial Intelligence in solving real-world problems. This event serves as a platform for students, budding engineers, and AI enthusiasts to present their creative AI-driven solutions and futuristic ideas.

Participants worked individually or in teams to present their AI-based concepts across various domains such as healthcare, education, environment, smart cities, and more. Each team was given a time slot to pitch their idea, focusing on innovation, feasibility, impact, and technical depth. The judging criteria included originality (30%), technical execution (30%), problem relevance (20%), and presentation clarity (20%).

It was indeed a proud moment as IET JEC On Campus successfully hosted this engaging ideathon, sparking inspiring discussions and encouraging the next generation of tech innovators to shape the future with AI.

OUTCOME OF THE EVENT

The AISPIRE: Shaping the Future with AI event proved to be a dynamic platform that showcased participants' creativity, problem-solving abilities, and understanding of Artificial Intelligence. Participants engaged in thought-provoking sessions and activities focused on real-world AI applications, demonstrating their grasp of emerging technologies and innovative thinking. Judging criteria emphasized originality, technical depth, and practical relevance. The event fostered collaboration, inspired forward-thinking ideas, and encouraged participants to envision the future possibilities of AI. Overall, AISPIRE was a resounding success, reinforcing the importance of AI in shaping tomorrow's world and nurturing future-ready minds in the tech community.
