About Event:

On the 6th of September, just a day before Ganesh Chaturthi, our dedicated Rotaractors visited the All The Children NGO in Karapakkam. The visit was filled with joy and meaningful interactions as our members engaged with the children in various activities.

One of the highlights of the day was a creative session where the children were divided into teams to carve beautiful Ganesh idols. What made this activity even more special was the use of organic, home-found materials such as flour and turmeric. The children's creativity shone brightly as they crafted these idols, each team bringing their unique touch to their creations.

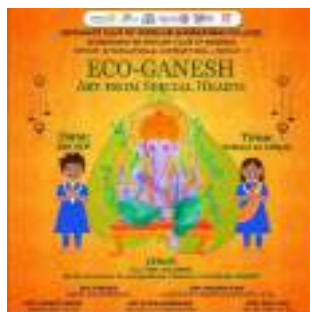

In addition to the fun and creativity, we also made sure to contribute to the children's well-being by donating apples for snacks. This small gesture was warmly received and added to the overall spirit of giving and celebration.

The event was a wonderful blend of creativity, community, and care, leaving both the Rotaractors and the children with cherished memories.

Time: 10:00 am to 1:00 pm
Event organizers: Rtr. Banuja, Rtr. Winston Vais, Rtr. Nikkil Mathew
SDG: Goal 2: Zero Hunger
Rotary area of focus: None

About Event:
 On October 30th, just before Diwali, the Rotaract Club organized a heartfelt initiative at the Central Railway Station, distributing sweets and savories to the underprivileged. The sweets were collected from board members, friends, and families, carefully packed with hygiene and safety. Choosing a public place ensured the food reached those in real need, including hungry children who couldn’t afford a single meal.
 By sharing homemade sweets and biscuits, Rotaractors celebrated Diwali in a meaningful way, embracing the spirit of giving. The recipients expressed deep gratitude, blessing the volunteers wholeheartedly. The event fostered social responsibility among Rotaractors, reminding them how even small contributions can create a significant impact. Witnessing happiness on the faces of strangers encouraged further kindness and community engagement. This initiative reinforced the power of compassion, showing that simple gestures can brighten lives, inspire change, and create moments of joy during festive celebrations.

Event organizers: Rtr. Nikkil Mathew, Rtr. Johannah Styris

SDG: Goal 1: No Poverty, Goal 3: Good health and well-being

Rotary area of focus: Peace building and conflict prevention

About the event:

The blanket distribution event was organized to reach those most in need, with donations of blankets and funds gathered from college students and well-wishers. The collection and distribution were managed by Board officials and Green Rotaractors, ensuring smooth execution. On the event day, volunteers came together with a shared purpose—to provide warmth and comfort to homeless families and individuals.

As blankets were handed out, each recipient's smile reflected the significance of the initiative. Beyond physical warmth, the event fostered a sense of community and human connection. It was more than just a charitable act; it was a moment of care, dignity, and hope for those often overlooked by society. Volunteers engaged with recipients, exchanging words of encouragement and empathy, making the experience deeply personal and meaningful.

The event highlighted the importance of collective efforts in supporting vulnerable populations. It reinforced the idea that small acts of kindness can create lasting impacts, bringing relief and reassurance to those in difficult circumstances. The initiative left volunteers inspired, strengthening their commitment to social responsibility and community service. In the end, it wasn't just about distributing blankets—it was about spreading warmth, kindness, and hope, making a difference one person at a time.

Time: 2:00 pm to 4:00 pm

Event organizers: Rtr. Kirthika, Rtr. Pragatheesh

SDG: Goal 16: Peace, justice and strong institutions

Rotary area of focus: Peace building and conflict prevention

About the event:

The "*Carols of Joy*" project is a heartfelt initiative dedicated to spreading happiness among orphanage children through cake distribution and engaging activities. It aims to create joyful and memorable moments that foster love, care, and a sense of belonging. The event begins with detailed planning—identifying orphanages, obtaining permissions, and coordinating logistics with volunteers, who arrange cakes, transportation, and entertainment materials.

The celebration revolves around distributing cakes as a symbol of togetherness while engaging children in storytelling, games, and personal interactions to ensure inclusivity. Beyond bringing immediate joy, the project promotes kindness and compassion within the community, inspiring others to take similar initiatives.

By documenting and sharing the event, the project encourages a ripple effect of positivity and generosity. More than just charity, "*Carols of Joy*" is a movement toward building a more empathetic society, leaving a lasting impact on children's lives while reinforcing values of empathy, kindness, and community. Through this initiative, the team hopes to spread happiness and create unforgettable memories.

Time: 10:00 am to 1:00 pm

Event organizers: Rtr. Krishnakumar, Rtr. Harini, Rtr. Pavithran

SDG: Goal 3: Good health and well-being

Rotary area of focus: Nil

About the event:

This project aims to provide differently and physically challenged children with an immersive virtual reality experience, making their day joyful and memorable. As part of the club's signature initiative, now in its sixth year, members rented a VR kit and visited Cheshire Homes in Thiruvanniyur. The children explored virtual worlds, played games, and danced with the volunteers, creating a truly enriching experience.

The initiative is designed to foster happiness and excitement among the children while encouraging interaction through various activities. By incorporating VR kits, the project enables them to experience environments beyond their everyday reality. The outcomes of the initiative were overwhelmingly positive—the children thoroughly enjoyed the VR experience, and the club members cherished the time spent with them. Ultimately, the project successfully blended technology with human connection, leaving lasting memories for both the children and the volunteers involved.

SDG: Goal 3: Good health and well Being, Goal 10: Reduced inequalities

Rotary area of focus: Nil

About the event:

VOYAGER was a meaningful community service event organized by the Rotaract Club of Jeppiaar Engineering College and sponsored by the Rotary Club of Madras (RID 3234). Held on April 9th, 2025, at Akshya Trust, Pallikaranai, the initiative focused on bridging the generational gap between youth and the elderly through thoughtful interactions.

With the theme "*Age is Just Another Word for Living*," Rotaractors engaged with senior residents by listening to their life stories, sharing heartfelt conversations, and spreading joy through laughter. Volunteers organized activities like storytelling, singing, and games to create a warm and lively atmosphere. They also distributed snacks and essential items, ensuring the residents felt appreciated and cared for.

VOYAGER contributed to the Sustainable Development Goals, specifically SDG 3 (*Good Health and Well-being*) by promoting emotional wellness and SDG 10 (*Reduced Inequalities*) by fostering inclusion and empathy. More than just a gathering, it was a celebration of life, wisdom, and shared experiences across generations. Careful planning ensured each moment was meaningful, from selecting the venue to organizing engaging activities. The event left a lasting impact, reminding everyone involved of the beauty of human connection and the importance of cherishing relationships.

Date: 11/05/2025

Hours Spent: 1

Time: 3:00pm to 4:00pm

Event organizers: Rtr. Johannah styris, Rtr.Munna, Rtr.Merlin devi

SDG: Goal 3:Good health and well Being, Goal 5 Gender equality

Rotary area of focus: Goal 2: Maternal and child health

About the event:

HEARTISTRY was a meaningful Mother's Day initiative aimed at celebrating the love and sacrifices of mothers. Organized by Rotaractors at Marina Beach, the event involved personally offering roses and customized greeting cards to mothers, creating moments of warmth and appreciation.

Each interaction was heartfelt, as members expressed gratitude on behalf of the community, recognizing the strength and care that mothers provide daily. The simple yet powerful gestures spread joy, fostering emotional connections between strangers through kindness.

The event's primary goal was to acknowledge the contributions of mothers while encouraging a culture of appreciation and gratitude. By promoting personal engagement, HEARTISTRY strengthened community bonds and highlighted the significance of small acts of kindness. The initiative successfully created a touching experience for both the givers and recipients, making Mother's Day even more special through shared moments of love and recognition.

12) Metro vil our naal

Date: 17/05/2025

Hours Spent: 6

Time: 9:00 am to 3:00 pm

Event organizers: Rtr. Gopinath, Rtr. Harini, Rtr. Karthick

SDG: Goal 4: Quality education, Goal 10: Reduced inequalities

Rotary area of focus: Goal 1: Basic education and literacy

About the event:

Metro Vil Oru Naal, the signature project of the club, provided orphaned children with an unforgettable journey through Chennai, blending modern transportation, historical exploration, and a sense of wonder. The adventure began at **Vadapalani Metro Station**, where the children eagerly boarded the Chennai Metro Rail. As the train sped through tunnels and over bridges, they gazed at the city's vibrant skyline, marveling at its towering buildings, bustling roads, and serene landscapes. This journey allowed them to experience the city's dynamic pulse from a perspective many had never seen before.

Upon arriving at **Egmore Metro Station**, the children embarked on a short but meaningful walk to the **Chennai Police Museum**. Here, they explored interactive exhibits showcasing the history, achievements, and contributions of Tamil Nadu's police force. Through vintage uniforms, historical documents, and police equipment on display, they gained insight into law enforcement's evolving role in society. The visit not only educated them about civic responsibility but also instilled admiration for the dedication of officers who protect and serve.

Following the museum visit, the group gathered for a **hearty lunch**, where they shared laughter, reflections, and excitement about their experiences. This moment of togetherness strengthened the bond between volunteers and children, creating a warm and joyful atmosphere. The event successfully blended adventure, learning, and community spirit, leaving the children with cherished memories and newfound inspiration. Metro Vil Oru Naal was more than just a journey—it was a celebration of exploration, knowledge, and the joy of discovery.

13) Manidhi

Date: 29/10/2024 to 28/02/2025

Venue: Offline

Time: Varies

About the event:

Manidhi is a transformative menstrual awareness campaign led by the Rotaract Club of GSS Jain College for Women, in partnership with 15 co-host clubs and Madras Knights as the secretary club. This initiative was designed to break societal taboos and promote scientific understanding of menstrual hygiene among young minds.

Spanning **29 impactful phases**, Manidhi reached hundreds of students across multiple schools through **interactive sessions, discussions, and hygiene kit distributions**. Each session fostered a safe space for open conversations, empowering young girls with knowledge, confidence, and dignity.

Careful planning ensured the content was **age-appropriate, engaging, and informative**, incorporating visual aids and activity-based learning. Rotaractors secured permissions, coordinated schedules, and documented feedback, reflecting their commitment to meaningful social change. Manidhi stands as a testament to **youth leadership, collective service, and awareness**, proving that education and empathy can drive lasting impact in communities.

14) Uravu

Date: 28/01/2025&07/02/2025

Venue: Online

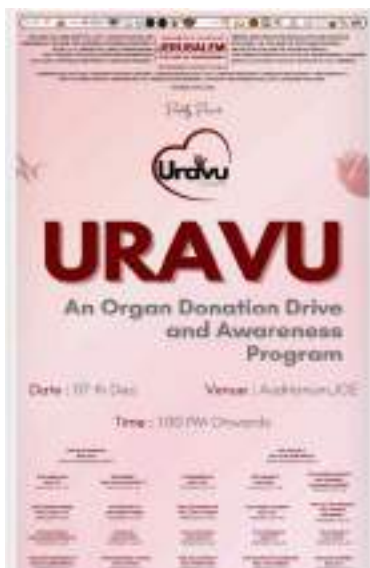

Time: 7:30 pm to 8:30 pm

About the event:

The Rotaract Club of Jerusalem College of Engineering, in collaboration with 18 other clubs, will inaugurate the Uravu organ donation awareness program on December 7, 2024. This initiative aims to educate communities about the transformative impact of organ donation, featuring insights from medical experts, transplant recipients, and real-life donor stories. The event's primary goal is to motivate individuals to register as organ donors, either through donor cards or online platforms, while also encouraging students to pledge and serve as ambassadors for organ donation. By leveraging peer influence, the program seeks to expand awareness and foster a donation-friendly culture.

The event will also address misconceptions surrounding organ donation, using engaging formats such as interactive talks, skits, and social media campaigns to dispel concerns—whether medical or religious. Additionally, participants will gain knowledge of India's Transplantation of Human Organs Act, 1994, ensuring ethical donation practices and understanding the role of family consent. Through youth involvement and sustained awareness efforts, the program aims to amplify its impact, fostering compassion and responsibility. By inspiring more individuals to register as donors, the Rotaract Club's efforts contribute to saving lives and promoting a culture of selflessness and generosity in the community.

We, the Rotaract Club of Jeppiaar Engineering College, sponsored by Rotaract Club of Madras II RID 3232, are thrilled to announce the successful completion of our **"Metrovil Orunal Project."**

About the Event:

This event aimed to create an unforgettable Metro ride experience for children in orphan homes, offering them a day of joy and excitement. On the 10th of March, we embarked on this heartwarming journey, starting from Airport Metro to Anna Nagar Tower Metro.

At Anna Nagar Tower Park, we dedicated over 2 hours to engaging in fun games, sharing meals, and distributing chocolates with the children. These activities provided them with a much-needed break from their routine and left a lasting impression of happiness and camaraderie.

The event was not only about creating memorable moments but also about fostering a sense of community and compassion. Our DRR Elect, Rtr. Sasikumar and our faculty coordinators actively participated, lending their support and enthusiasm to make the day truly special for everyone involved.

3. VR CHALLENGED 5.0

Date : 10th March 2024

Event chair : Rtr Maria Rejo

Event Secretary : Rtr Hariharan

Event Venue: MITHRA Foundation, Shenoy Nagar

Description :

The Rotaract Club of Jeppiaar Engineering College, sponsored by the Rotary Club of Madras | RID 3232, proudly presents the fifth iteration of our most impactful and thoughtful flagship project, **VR Challenged**.

This project aims to bring VR kits to physically challenged and underprivileged children residing at the **MITHRA Foundation**, who face various neurological, intellectual, and locomotive disabilities that often prevent them from experiencing certain aspects of life that are very normal to us, such as running, driving, hiking, etc. These experiences can, at the very least, be simulated through the aid of VR technology.

The event took place on April 6th at the MITHRA Foundation and was organized in the presence of Faculty Coordinator Dr. S. R. Thilagavathy, Rtr. Rajesh (Paralympic Blade Runner from RaC Chennai Dynamic Entrepreneurs), alumni of our clubs, and members of our club. The event was a massive success, bringing many smiles to everyone's faces and leaving us Rotaractors with a new perspective on an entirely different life.

Description:

Tamizhi was a feast for the senses, showcasing the rich tapestry of Tamil traditions, encompassing the vibrant customs of Tamil Nadu, exquisite art forms, and timeless literature. From traditional music and dance performances to delectable cuisine and handicrafts, Tamizhi embodied the essence of Tamil identity. Held in a beautifully decorated hall, Tamizhi was a vibrant celebration of Tamil culture and the heritage of the Tamil people. The event featured a showcase of ancient Tamil arts and crafts, providing a glimpse into the artistic legacy of past generations. But Tamizhi was not merely a cultural celebration; it aimed to drive social change. The event highlighted the importance of eye donation, raising awareness about this noble cause. Tamizhi was more than just an event; it was a journey of discovery, a celebration of tradition, and a platform for change. It served as a reminder of the rich cultural heritage of the Tamil people and their unwavering commitment to preserving and promoting their traditions.

HOSTED EVENTS:

1. DONATE FOR HOPE

In the darkness of pain be their ray of light, be their smiles cause...! We the Rotaract Club of Jeppiaar Engineering College sponsored by the Rotary Club of Madras RID 3232 Proudly presented an event Donate for Hope. This event was held on 3rd September 2022 at the Cancer Institute, Guindy. A way to support children and adults with cancer is by donating hair. In this project, Our fellow Rotaractors donated their hair and arranged for it to be made into wigs, the treatment for cancer causes the loss of hair permanently due to the effects of chemotherapies and radiation treatments. By donating our hair, we trust that our little support for this great cause may uphold them. Donating our hair is a much more personal gift than sending a check.

3. BEACH LAUNDRY

We organized our first beach clean-up event with our Rotaractors and also joined hands with our fellow college students as volunteers. We successfully completed it on 19th September 2022 in Akkarai Beach, ECR in the name of, BEACH LAUNDRY. How could we enjoy the beach, knowing we have polluted it? Therefore, we spent our time picking up the trash. More than 50 Rotaractors and volunteers joined hands together to clean up the shoreline. They were all provided with all the clean-up supplies such as garbage bags and gloves. Hundreds of plastic wastes and other garbage were collected in trash bags. It's time we grow up, pick up after ourselves segregate them at its source, and keep our beaches safe and clean. Our planet deserves better! Let's make this a trend.

4.WHISPERS OF DANDELIONS

We the Rotaract Club of Jeppiaar Engineering College sponsored by the Rotary Club of Madras RID 3232 has peacefully celebrated International peace day as WHISPERS OF DANDELIONS (united we Stand divided we fall) International peace day is a global event that is observed each year on 21st September by nations all across the world. As Rotaractors, we had the responsibility to build peace in the world. As it's impossible to change the world within a day, we decided to make the first move to our college. We requested all of our college students and our faculties to wear white attire, as white is referred to as the color of peace and we all observed a minute of silence and took a peace pledge to spread peace and unity all over the world. The world will not be destroyed by those who do evil, but who watch and do nothing.

5. SMILE TALK

Nobody can go back and start a new beginning but anyone can start today and make a new ending. Sometimes we don't realize how good the old good days were until they're gone. We successfully completed the spiritual event entitled "Smile Talk". Making people remember their past beautiful memories we the community service club made a random question session with unknown people on 2nd October 2022 at Besant Nagar beach. We chose people randomly and they were given two questions to answer. The first question is, the happiest moment in your life to date? And the second one, the person with whom you feel the happiest? I saw people getting thrilled and amused answering these questions wholeheartedly. You may ask what gives you or what do you make out of it. The simple thing is the happy memories that we remembered them which brought a smile to their face. Memory is a beautiful thing it's almost a desire that we miss. Keep making memories with the Rotaract Club of Jeppiaar Engineering College.

ROTO-WEEK

1.GREEN HANDS

A PRO team initiative, GREEN HANDS, is a community service event. This project is regarding the donation of plant saplings to students and teachers. We have started this event to make each and every one realize that our environment needs to be nourished as we human beings are turning the world into a harmful, polluted land for our future generations. Our earth has a beautiful ability to turn any waste into nourishing manure by its decomposing capacity, though we punish it by deforestation, using plastics, pollution, and so on. Hence this event is a small return gift to our living land on Earth. PLANT TREES, SAVE EARTH.

Madras Mount, MGR E&T, MNM Jain Engineering College, New College, ISSM business school, Presidency college, SCP Jain college, MGR Janaki college for women feels pride and proud in our event **தமிழி**. Our project **தமிழி** was completed on 8th April 2023 in Jeppiaar Engineering College, as nowadays, we are becoming unaware of our culture and language and its beauty. The Tamil language is set to be the one of classic languages of the world which was formed 5000 years ago and is still in use. In order to celebrate Tamil language, we brought up our art and cultural representation of tamil such as *para-attam, villu-pattu, bommalattam (puppet show), puli-attam , karaga-attam, silambattam and more*. These performances were done by professional artists, who are indulging and doing it as a passion for generations. The funds which were raised by this event were donated to HIV-AIDS-affected children's medical expenses in a home called PRATHYSHA, a home for these children which is in Nungambakkam.
