**TITLE OF THE EVENT : Yi RUN**

**DATE** : 22nd November 2024

**VENUE** : JEC Campus

**TIME** : 8.30 - 10.30

### **DESCRIPTION OF THE EVENT:**

The Yi Run for Mental Health, organized by Young Indians Chennai Chapter and Yuva Club of Jeppiaar Engineering College, was a resounding success. Over 800 participants from across Chennai came together to raise awareness and support for mental well-being. The event promoted mental health awareness and encouraged open conversations. Participants showed remarkable enthusiasm and energy. Esteemed guest Aravindhana.P, IPS, Zonal Director - Narcotics Control Bureau, and the Yi Chennai team honored the event. The Meridian Hospital team provided medical support. We thank our Executive members of YUVA JEC, participants, Yi Members, and organizers for their collective efforts. This initiative contributed to creating a healthier and more supportive community. Young Indians Yuva Club is committed to continuing this movement towards a better tomorrow. Let's work together to break the stigma surrounding mental health. The event was a significant step towards promoting mental well-being and awareness.

### **OBJECTIVE OF THE EVENT:**

Objectives of the Yi Run for Mental Health event appear to be:

1. Raising awareness about mental health: Promoting understanding and acceptance of mental well-being.
2. Breaking the stigma surrounding mental health: Encouraging open conversations and reducing stigma around mental health issues.
3. Creating a supportive community: Fostering a culture of awareness, acceptance, and support for mental health.
4. Promoting mental well-being: Encouraging individuals to prioritize their mental health and seek support when needed.

These objectives align with the event's goal of promoting mental health awareness and encouraging a supportive community.

## PONGAL CELEBRATION

Yuva JEC and RIT joined forces with the YI Accessibility Team to celebrate Pongal on January 18th at Pathways Centre, Thiruvananthapuram. From 10 am to 12 pm, the volunteers indulged in laughter-filled games and activities with the children, creating an unforgettable morning of pure joy. The infectious smiles of the children etched lasting memories in the minds of the volunteers, lingering long after they bid farewell. This heartwarming event forged meaningful bonds, demonstrating JEC's commitment to community engagement and social responsibility. The volunteers cherish the heartfelt connections and express deepest gratitude for the shared happiness that filled their souls, making this Pongal celebration truly unforgettable.

## ART THERAPY WORKSHOP

The dynamic Yuvas of Jeppiaar Engineering College wholeheartedly immersed themselves in the Art Therapy Workshop, expertly curated by YI Chennai Accessibility Vertical at MCDS Semmanchery on 23rd February 2024. This creative convergence unleashed boundless imagination and innovation as ten passionate ambassadors from our college embarked on an artistic voyage. Unlocking art's transformative power, they nurtured self-expression, fostered empathy and inclusivity, and cultivated emotional resilience. Through vibrant colors and bold brushstrokes, they crafted a tapestry of hope and positivity, breaking barriers and bridging gaps, ultimately empowering minds and uplifting spirits.

## COOK ALONG

Jeppiaar Engineering College's vibrant Yuvas with YI Accessibility team for the 'Cook Along' event at Cambridge, Thiruvananthapuram on 18th April 2024, crafting an unforgettable culinary experience. This dynamic collaboration forged lasting bonds between our enthusiastic members and individuals of diverse abilities, igniting a profound sense of understanding, empathy, and camaraderie. The inclusive gathering sparked invaluable interactions, cherished memories, and precious insights, celebrating the spirit of unity and inclusivity.

## CARE AND SHARE 2.0

The Yuvas from Jeppiaar Engineering College embarked on a heartfelt philanthropic journey, visiting the Karapakkam Orphanage on April 29th. Through their noble "Care and Share 2.0" initiative, they lavished underprivileged children with essential clothing and stationery items. In a beautiful display of compassion, the Yuvas spent quality time with the youngsters, engaging in exhilarating games, energetic dance performances, and melodious singing sessions. This uplifting outreach program not only brought smiles to the children's faces but also instilled confidence, fostered community, and nurtured educational growth. With unwavering dedication, the Yuvas exemplified the true spirit of social responsibility. Their selfless acts of kindness ignited hope and joy, leaving an indelible mark on the lives of these resilient young minds.

## DISABILITY ETIQUETTES SESSION

The Yuva Club hosted a thought-provoking session on Disability Etiquettes on April 1, 2024. This enlightening program promoted inclusivity, respect, and empathy towards People With Disabilities. Participants learned effective interaction techniques, fostering a supportive environment. Understanding disability etiquettes inspires a culture of inclusivity. The session encouraged empathy and understanding. By embracing diversity, we create a more harmonious community. Kudos to the organizing team for their outstanding efforts. This initiative will have a lasting impact, showcasing our commitment to accessibility and inclusivity. We strive to foster a culture of empathy and inclusivity. Our efforts aim to create a supportive environment for all individuals.

## WHEEL CHAIR EMPATHY TRAIL

On March 8th, International Wheelchair Day, we participated in the Wheelchair Empathy Trail at NCAHT IIT Research Park. This experiential learning event raised awareness about assistive health technology and promoted empathy. By navigating obstacles in wheelchairs, we gained insight into the challenges faced by individuals with mobility impairments. The experience instilled a deeper appreciation for inclusivity and accessibility. We committed to championing a barrier-free world, ensuring equal opportunities for all. Empathy and understanding pave the way for an inclusive society. We strive to break down barriers and empower individuals of all abilities. This poignant experience will inspire lasting change. Our actions will make a difference, fostering a culture of compassion and equality. Together, we'll create a more inclusive world.

### SMILE A MILE

On 23rd May 2024, We Yuvas spreaded love and joy through their 'Smile a Mile' event at Aram Home orphanage. Members spent quality time with the kids, sharing laughter and companionship. A nutritious lunch was provided, bringing smiles to everyone's faces. The event created lifelong memories for the children. Our members' kindness and warmth made a lasting impact. The children's eyes sparkled with delight as laughter filled the air. 'Smile a Mile' demonstrated the power of compassion and generosity. Yuva Club's efforts brought happiness to those who needed it most. This selfless act inspired others to follow suit, embodying the true spirit of giving. The event left an indelible mark on the hearts of all involved.

### TECHNICAL SUPPORT FOR PWD

On August 26, 2024, Yuvas from Jeppiaar Engineering College with Thaaikarantal Charitable Trust to empower visually challenged individuals through technical support. This initiative enabled 20 individuals to access public transport independently, promoting equal opportunities and social inclusion. The event successfully renewed public transport passes, registered new individuals, and provided technical guidance. Thaaikarantal Charitable Trust praised the Yuvas' efforts, stating their support made a significant difference in beneficiaries' lives. The Yuvas developed technical skills and empathy while fostering inclusivity. Their collective action promoted empowerment and social inclusion. This partnership demonstrated the potential for positive change. The Yuvas' dedication inspired a brighter future for visually challenged individuals. Their efforts will have a lasting impact, empowering individuals and promoting equality. This initiative exemplifies the power of community-driven initiatives.

# CLIMATE CHANGE

## COASTAL CLEANUP

On July 26, 2024, Yuva Club of Jeppiaar Engineering College organized an intercollegiate beach cleaning drive, "C2 - Coastal Cleanup." This initiative aimed to promote environmental sustainability and combat climate change through community engagement. The event brought together students from Jeppiaar University, MGR University, and Stella Maris. Participants assembled at 7:00 am and received gloves and face masks. They were divided into groups of three and equipped with bags to collect trash. After two rounds of cleaning, a short break was held, followed by a final round. The C2 - Coastal Cleanup drive made a significant impact. This successful event demonstrated Yuva Club's dedication to environmental stewardship, community service, and youth empowerment, showcasing the potential for collective action to mitigate climate change and protect our planet.

## ECO FEST

On September 24th, Jeppiaar Engineering College's Yuvas enthusiastically participated in Yi Climate Change Vertical's Yi Eco Fest, promoting sustainability and environmental awareness. The event featured eco-friendly activities, and networking with like-minded individuals. We gained valuable insights into climate change and sustainability, supporting environmental conservation efforts. Our participation inspired a pledge to adopt responsible practices for a greener future. This commitment will positively impact our community and environment. Through Yi Eco Fest, we joined a collective movement towards sustainability. Our actions will contribute to a better tomorrow. We remain dedicated to eco-friendly initiatives, fostering a culture of environmental stewardship. This event marked a significant step towards a sustainable future.

Interactive sessions fueled civic responsibility, empowering Yuvas to become informed citizens and fostering civic consciousness. This impactful event sparked a movement, cultivating leadership and community engagement among Yuvas. By promoting democratic values, Yuva Club nurtured a culture of active participation, embodying its commitment to building a brighter democratic future. Through "VOTE UPLIFT," Yuva Club made a difference, empowering future leaders one vote at a time.

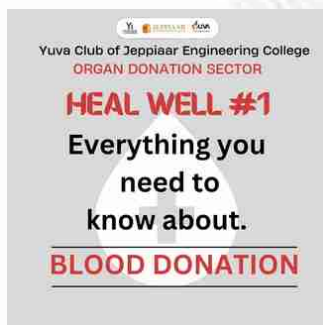

# ORGAN DONATION

## TRIBUTE FOR ORGAN DONARS

On 14th August 2024, Yuva Club paid a heartfelt tribute to organ donors, celebrating their selfless legacy and generosity that gives the gift of life. Honoring donors and their families, the event acknowledged their profound impact on countless lives. Inspirational stories highlighted the transformative power of organ donation, inspiring over 100 participants to pledge as donors. By promoting organ donation awareness, Yuva Club fostered empathy, compassion, and community engagement, upholding the values of kindness and altruism. This poignant tribute ignited a chain of generosity, spreading love and hope while empowering lives, one donation at a time.

## HEAL WELL

Heal Well's organ donation awareness initiative, through the release of impactful posters, educates communities and inspires lifesaving donors. This campaign promotes the importance of organ donation, fostering compassion and empowering informed choices. By encouraging conversations and raising awareness, Heal Well creates a culture of generosity, honoring the selfless act of donation and giving hope to thousands awaiting transplants. Every displayed poster has the potential to inspire a lifesaving decision, supporting those in need. Through this initiative, Heal Well aims to increase donor registration and save precious lives, contributing to a more compassionate society where meaningful conversations and inspired change come together to transform lives.

# ROAD SAFETY

## EMERGENCY RESPONDERS

Yuva Club conducted a pioneering 'Emergency Responders' event, exclusively engaging over 50 bus drivers with support from Young Indians' (Yi) Road Safety vertical. This unique initiative promoted road safety awareness and emergency preparedness, empowering drivers with hands-on First Aid experience and essential life-saving skills. By equipping bus drivers with critical knowledge, Yuva Club created a safer transportation ecosystem, protecting vulnerable passengers, including students. This initiative demonstrated Yuva Club's commitment to road safety and driver empowerment, saving lives and making a tangible difference. Through this effort, Yuva Club recognized the vital role bus drivers play in ensuring student safety, empowering drivers and enhancing safety, one life at a time.

# INNOVATION

## TRIZ WORKSHOP

On March 6, 2024, five Yuvas from Jeppiaar Engineering College participated in the TRIZ Workshop organized by Young Indians' (YI) Innovation Sector at Vidhya Sagar. Held from 9 am to 6 pm, this engaging session equipped our members with systematic approaches to problem-solving, enhanced analytical skills, and an innovation mindset. Through this workshop, our Yuvas gained valuable tools for creative thinking, fostering innovative thinking and problem-solving capabilities. We appreciate YI Innovation Sector's initiative in nurturing young minds and empowering future leaders.

We participated in the Yuva Pathfinder event on January 31st, 2023, at Ethiraj College for Women. This enriching gathering united over 15 institutions from 10:00 am to 12:30 pm, fostering growth, discovery, and meaningful connections. Our team showcased strategic plans and goals for the year, sharing vision and aspirations with the vibrant Yuva community. The event offered invaluable networking, insightful learning, and collaborative engagements. We interacted with fellow Yuva members, exchanging ideas and best practices. Our presentation highlighted commitment to excellence and community impact. The dynamic atmosphere inspired creativity and innovation. We gained valuable insights from esteemed guests and peers. Overall, Yuva Pathfinder was a resounding success, fueling our passion for growth. We eagerly anticipate future collaborations and achievements.

## World Education Exhibition

The Yuva Club of Jeppiaar Engineering College enthusiastically participated in the World Education Exhibition at Taj Club House, Chennai on August 3rd. From 10:30 AM to 12:30 PM, our members engaged with representatives from over 25 top global universities. This enriching experience provided valuable insights into higher education options, admission processes, and scholarship opportunities. Our Yuvas explored various courses, networked with peers and professionals, and broadened their perspectives on the global education landscape. The event fostered learning, growth, and future study exploration. Our members gained invaluable knowledge, sparking excitement for future endeavors. The exhibition was a resounding success, inspiring and informing our Yuvas. They returned with renewed enthusiasm and clarity on educational pathways. This experience will shape their academic and professional journeys. The Yuva Club is grateful for this empowering opportunity.

## FUTURE 4.0

Young Indians' "Future 4.0" initiative united young minds to shape India's future. On August 12, 2024, the Chennai chapter drew enthusiastic participation from colleges, including Jeppiaar Engineering College's Yuva club. Two brilliant Yuvas joined fellow visionaries, tackling Health and Road Safety challenges. Their innovative solutions and collaborations will drive positive change. We eagerly await the lasting impact of these initiatives. Empowering youth to create a better India, we proudly participate in this journey. Together, we've taken the first step towards a brighter, healthier, and safer future. Future 4.0 inspires a generation of leaders and change-makers. This collective effort fosters innovation, creativity, and social responsibility. Our Yuvas are shaping a promising tomorrow.

## YU MEET

The YI Yuva Vertical, Chennai Chapter, presents YUVA Meet 2024, a gathering of YUVA Chairs and Co-Chairs from Chennai colleges. Held on August 10th, 9am-12pm at Hotel Deccan Regenta, this event aims to foster leadership development, collaboration, and innovation. Participants will enhance leadership qualities, and brainstorm future event ideas. The agenda includes leadership sessions, and networking opportunities. Outcomes include strengthened leadership skills, new perspectives, valuable connections, and exciting future collaborations. YUVA Meet 2024 empowers young leaders to excel in their roles and positively impact their communities. This event provided a platform for knowledge sharing, skill development, and networking. Participants gained invaluable insights and skills.

## YU LEAD TRAINING

The Yi Yuva Vertical hosted the YUVA Lead Training Session on August 10th from 2:00 pm to 4:00 pm at Hotel Deccan Regenta. This impactful session educated YUVA Lead students on critical social issues, including Climate Change, Masoom, Road Safety, Accessibility, and Health. Expert facilitators led interactive discussions and activities, empowering participants to address pressing concerns. Students gained valuable insights and skills to drive positive change. The session fostered social responsibility and empowerment, preparing YUVA Leads to tackle real-world challenges. Interactive sessions encouraged collaboration and creative problem-solving. This training will have a lasting impact on students and their communities. By addressing critical issues, YUVA Leads will inspire meaningful transformation. Through this initiative, young leaders are empowered to shape a brighter future.

## **CHENNAI GOT TALENT AUDITION**

Jeppiaar Engineering College and Jeppiaar University, hosted a live audition for "Chennai Got Talent" on July 25th. This exciting event was part of a five-college tour across Chennai, seeking exceptional talents. Aspiring performers showcased their skills, competing for a coveted spot. Renowned judges evaluated performances, searching for hidden gems. Jeppiaar Engineering College's state-of-the-art facilities provided the perfect backdrop. Participants displayed breathtaking skills, captivating the audience. The event's energy was electric, fueling dreams and ambition. "Chennai Got Talent" continues its search for the city's most exceptional performers. Talents discovered here will shine on the city's grand stage.

## **APPLYING PRINCIPLES OF CHESS TO BUSINESS**

On September 4th, Our Yuva attended Yi Chennai Chapter's "Applying Principles of Chess to Business" session at ITC Grand Chola. Grandmaster Rameshbabu Praggnanandhaa and Ms. Vaishali Rameshbabu led the interactive session, exploring strategic connections between chess and business. We gained valuable insights into decision-making, problem-solving, and critical thinking. Key takeaways included strategic planning, risk management, adaptability, and effective decision-making. Esteemed speakers shared valuable lessons, empowering us to apply chess principles in entrepreneurial pursuits. This unique session bridged the gap between chess strategies and business acumen. We enhanced our business skills and look forward to applying these principles. The experience was enlightening and invaluable. Our entrepreneurial endeavors will benefit from this session. We're grateful for the opportunity to learn from renowned experts.

## CHENNAI GOT TALENT 5.0

Young Indians (YI) Chennai Chapter hosted Chennai Got Talent (CGT) Edition 5.0, a spectacular celebration of creativity and artistic expression. Our college team excelled in the "Mindful Fashion Chennai" finals, alongside diverse music, dance, art, and cultural performances. Over the many institutions participated, fostering unity and creativity. We commend our dedicated team, including JEC's Yuva Chapter, for their passionate volunteering and expertise. Their tireless efforts made CGT Edition 5.0 a resounding success. This event showcased collective creativity and talent, uniting individuals from various backgrounds. The Chennai Chapter's initiative inspired and empowered young minds. CGT Edition 5.0 was a testament to teamwork and dedication. The event's success will have a lasting impact on the community. It was a truly unforgettable experience.

## BLITZ 2.0

Jeppiaar Engineering College's Yuvas proudly represented YI Chennai Chapter at Yi Coimbatore Chapter's Blitz 2.0 Leadership Camp on September 26-27. This intensive 2-day experience united 150+ Yuvas from 10 diverse Chapters at Kumaraguru College of Technology. Expert sessions by Mr. Siva Arunagiri and Ms. Janita Veronica covered Personal Leadership Management, Emotional Intelligence, Sustainability, and Strategic Management. We gained essential leadership skills, innovative problem-solving techniques, and personal growth. The camp ignited our passion for leadership, fostering a community driven to create positive impact. This exhilarating experience shaped us into future leaders, equipping us to drive change. We're committed to leadership excellence and empowering others. Blitz 2.0 Leadership Camp was a transformative journey. Our Yuva community is inspired to make a lasting difference. The experience will have a lasting impact on our personal and professional lives.

## DESIGNING

### CREATIVE PRO MAX

YUVA JEC's Designing Team proudly announces the winners of CREATIVE PRO MAX: Shahidha Banu A (First Place), Anandh A (Second Place), and DeeBu J (Third Place). Their visionary designs captivated judges with creative brilliance, showcasing exceptional visual storytelling mastery and remarkable skills. This competition celebrated innovation, artistry, and technical expertise, fostering creativity and excellence among participants. By recognizing and rewarding outstanding design talents, YUVA JEC reinforces its commitment to nurturing artistic innovation. The Designing Team salutes participants' dedication and passion, congratulating the triumphant winners whose work will ignite inspiration and excellence.

The first part of the paper discusses the importance of the study and the objectives of the research. It then proceeds to a literature review, followed by a description of the methodology used in the study. The results of the study are presented in the next section, followed by a discussion of the findings and their implications. The paper concludes with a summary of the main points and a list of references.

The study was conducted in a laboratory setting, where participants were asked to perform a series of tasks. The tasks were designed to measure the participants' ability to perform a specific task under different conditions. The results of the study showed that the participants were able to perform the task under all conditions, but there were some differences in the time taken to complete the task. The implications of the study are that the task can be performed under a variety of conditions, but the time taken to complete the task may vary depending on the conditions.

### OBJECTIVE OF THE EVENT :

The main objective of this event is that to make the participants realize that all our Expectations will not become Reality .

Now a days youngsters think that there expectation will become reality but the reality is that all our expectations will not become true ..

### BENIFITS IN TERMS OF LEARNING :

The participants came to know that the things that we are expecting to do will not always become true .

### DESCRIPTION OF THE ACTIVITY :

We all claim to more productive than ever at the beginning of a year  
But do we really follow it up???

This event is an opportunity to attempt completing all our pre planned tasks to the fullest

All the participants need to submit a list of the tasks that they have set out to do on the event date i.e \*9th January 2022\* through a Google form.

The submission work was done on 8th itself (one day before the actual day)

The time given for them to complete their task was 5a.m to 5pm

Then they should send another list of the tasks that they have  
\*ACTUALLY COMPLETED\* on 9th evening after 5pm.

## Being A Good Samaritan.

### **DATE AND DURATION OF THE PROGRAM:**

02/02/2022.

4-5pm.

### **SOCIAL MEDIA LINK OF POSTER:**

### **OBJECTIVE OF THE PROGRAM:**

The objective of the program is to educate our members of Yuva Jeppiaar Engineering College on being how to be a Good Samaritan.

Also to learn about the Good Samaritan law and how to respond in a road accident

### **BENEFITS IN TERMS OF LEARNING/ SKILL/ KNOWLEDGE OBTAINED:**

The webinar was very useful for us in many ways and a much needed topic in these days.

- Learned the basic first Aid for treating a road safety victim.
- Got to know what we should do? And what we shouldn't do? In an accident.
- Gained Knowledge on what happens in an accident and how to be a Good Samaritan and help the person in need.

### **DESCRIPTION OF THE ACTIVITY:**

The webinar was started off with a Tamil Thai Vazhthu welcome address by our nodal officer Dr. Padmavathy Ma'am and the speaker of the day were felicitated with an e-certificate by her

Proceeding with story of the origin of what is a Good Samaritan?

And when the speaker took over the session he deeply explained us in his very simple words what really happens in a road accident and you by being a Good Samaritan can play a vital role in helping a victim by teaching us the basic First Aids and clearly pointed out what we are doing wrong in those situations in the motive to help them in a very humble and kind manner. Then started the Q & A session in which we had interesting questions from the participants which was answered by the beloved speaker crystal clear. And as a way of showing gratitude the vote of thanks was said by the host of the webinar and ended the program on a patriotic note with the National Anthem.

Best awareness creation session. Looking forward to first-aid training session. This is very much interesting and useful thanks yuva team for organising this event 🌟🌟🌟

Thank you Sir, Proud to be a Good Samaritan

Really very useful and such an interesting program

THOSE INFO WERE REALLY GOOD AND USEFUL.. THESE ALSO MIGHT HELP UP ON OUR DAILY LIFE..AWSM SPEECH

The speakers were very much inspiring. Learned a lot of things through this webinar.

It was an awesome session.....and it's very useful too, keep rocking 🔥

Life in use Full

It's very useful for me 👍

It was an informative session

This webinar of Being a good Samaritan was really informative and awareness spreading on how to first aid a afflicted person on road by an accident.

It was very informative.

I thank for that wonderful session, through this I have learned a lot. This session taught me to become an samaritan. I Thank Everyone for giving me this opportunity to learn many things.

I thank you for giving me this wonderful session. In this session i have learned how the Samaritan should be and this session helped me to know about the importance of road safety.

## TELL US YOUR STORY

Date:09/02/2022

Title: "Tell us your Story"

Platform: online

### Description:

The event "Tell us your Story" was conducted to celebrate national storytelling week. At this event, our seniors were asked to tell a story about their life, their journey in Yuva and about their inspiring paths in their career. We got many stories from our seniors which were so interesting and also inspiring.

### Objective:

To gain knowledge, to know what will be the difficulties that we have to face while pursuing our dreams and to get inspired from the stories we conducted this event.

### Benefits gained:

- We learnt many things which includes the career path ,about Yuva etc
- It was really inspiring to hear such stories from our seniors.
- They said that they make their parents proud which inspired us to do the same to our parents and make them proud by achieving something in our life.

- Welcome address and inauguration began at 2 p.m by Mr.Nitin Bothra, Mr.Arun Rathod, Mr.Jai Shah ,Mr.Pratheep Chandramohan,Mr.Varan Mittal,Mr.Dilip Krishna and Principal of RIT.

- Leadership activity at 3pm-Lead by Mr.Nitin Bothra.The cap worn by our freedom fighters was issued to all the students and their struggle was reminisced .A poem written by Bharathiyar on leadership was recited and explained.
- Workshop on Entrepreneurship at 4:30 p.m.-The students were divided into teams of 5 members each. Every team was analogous to a company. Each member would play one role among the following-CMO (Chief Marketing Officer),COO(Chief Operating Officer),CFO (Chief Financial Officer) ,Administrator who would interact with Customers, Factory, Investors, Government respectively. CEO(Chief Executing Officer) can interact with anyone of them. The aim was to raise the company's revenue to 4 crores from an initial amount of 10 lakhs by manufacturing 2 types of robots- Smart bots(made of chip S and Metal S) and

Premium bots(made of chip P and Metal P).There was also a 3<sup>rd</sup> type of robot. Time given was 30 minute

## DAY 2-

- Yoga at 7 a.m.
- 

- Industrial Visit at 9 a.m.-Henkel Anand industries at SIPCOT.

Car sealant manufacturing-Sealants manufactured using polyurethane, rubber, PVC, Epoxy base(to prevent denting)used with car doors, windows, boot doors ;also used as underbody coating.

MES-KIOSK-Manufacture Engineering System to monitor the arrival of raw materials followed by their preservation in the factory by bar code matching, done using digital platform. All workers are allowed to access a computer screen to find out the location of various raw materials.

- Design thinking workshop at 2 p.m .- Real time e.g. of design thinking-Timers at traffic signals.

Stages of design thinking:

1. Empathize-Interviews with users/concerned people.
2. Define-divide it into micro problems and find solution for 1 micro problem at a time.

3. Ideate-Brainstorm as many solutions as possible; Focus on quantity over quality;  
Divide these ideas into 3 categories-HOW(Weird),WOW(Simple and easy to implement),NOW(Temporary solutions).
4. Prototype-Physical model (3D);  
Mind maps, etc.Figma.com and doodly.com can be used.
5. Test- Fetch what if, I like and I wish suggestions from users.

Students were divided into various teams .The problem statement given was how to prevent water pollution by consumables. Our team presented solutions to prevent water pollution by diapers

Step 1: Industrial water waste filtered by Filac technology; instead of letting the water into rivers we can use it to manufacture cotton diapers.

Step 2: Eco friendly diapers are supplied and collected from the consumers and used as bio fuels as they contain petroleum.

- Session on innovative leadership at 5 p.m.-By Ms.Nagalakshmi from Salem chapter.

Qualities of good leader:

1. Willing to adapt change
2. Experiment with new concepts
3. Envision a forward path

Steps in Design thinking

- Paying attention
- Personalizing
- Imaging

- Experiment
- Collaborative inquiry
- Crafting

An innovator solves problems while an innovative leader solves creative conflicts.

An activity was conducted to make students understand the steps in becoming a good leader.

### DAY 3-

- Treasure hunt at 7 a.m.
- Session with Film director Mantra Veerapandian on body shaming at 9 a.m.
- Skit performance- students were divided into 4 teams and were asked to enact the movie Padaiyappa and today's take on the movie.
- The event ended with students sharing their feedback and felicitation of students with certificates followed by National Anthem.

## MAATRAM NANMAIKEY

### **TITLE OF THE EVENT:**

MAATRAM NANMAIKEY

**DATE OF THE PROGRAM:** OCTOBER 21, 2022

### **OBJECTIVE OF THE PROGRAM:**

HAVING STEEL UTENSILS TO COOK FOOD CAN ALSO HAVE A POSITIVE IMPACT ON HEALTH. STEEL DOES NOT ERODE OR LEACH HARMFUL CHEMICALS DURING COOKING. IT'S DURABLE, SUSTAINABLE, HELPS IN RETAINING THE ORIGINAL FLAVOR, AND IS EASY TO CLEAN, LIKE GLASS. REPLACED PLASTIC BOTTLE WITH STEEL

### **BENEFITS IN TERMS OF LEARNING/ SKILL/ KNOWLEDGE OBTAINED:**

THE MAJOR HEALTH BENEFIT GAINED WAS THAT PLASTIC IS A MAJOR CONTRIBUTOR TO BOTH AIR AND WATER POLLUTION USING PLASTIC BOTTLES. DUMPING PLASTIC BOTTLES LEADS TO AN EXCESSIVE LEVEL OF WATER POLLUTION WHEREAS BURNING PLASTIC BOTTLES LEADS TO AIR POLLUTION. STAINLESS STEEL BOTTLES ARE, HOWEVER, AN ECO-FRIENDLY OPTION AS THEY ARE MADE FROM NATURAL ELEMENTS. STAINLESS STEEL BOTTLES CAN ALSO BE RECYCLED, WHICH MAKES THEM 100 PERCENT ECO-FRIENDLY PRODUCTS.

### **DESCRIPTION OF THE ACTIVITY:**

WITH THIS EVENT IN MIND, IT IS CLEAR WHY WE HAVE MADE THE TRANSITION FROM METAL TO PLASTIC. ONE OF THE MOST NOTABLE EXAMPLES OF A COLLEGE THAT HAS ACTIVELY PARTICIPATED IN THIS REPLACEMENT. WE REPLACED THE PLASTIC BOTTLE WITH STEEL IN THE COLLEGE CAMPUS

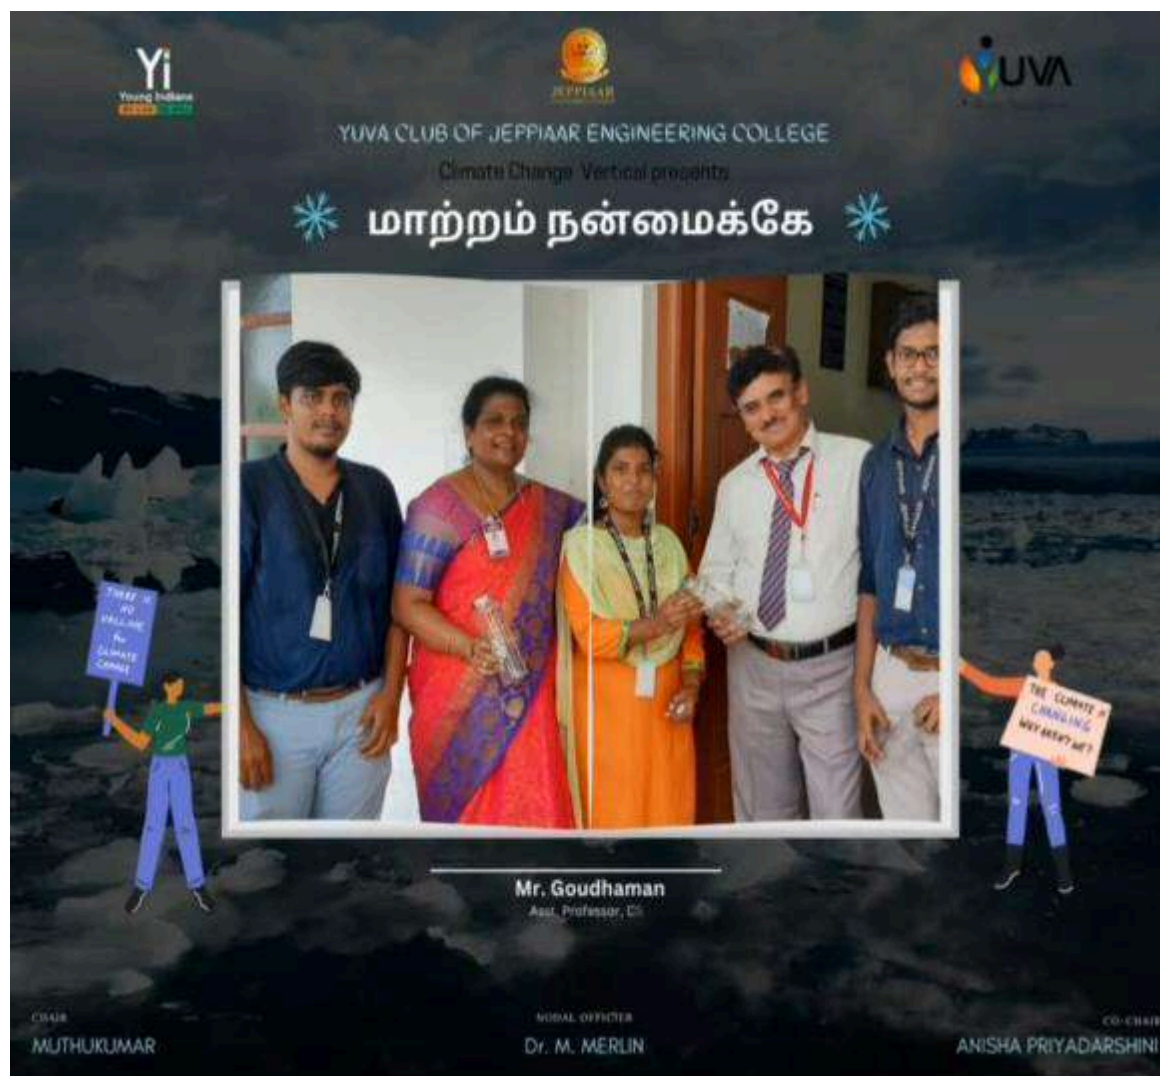

### **LINK OF THE EVENT/ACTIVITY:**

LOCATION: JEPPIAAR ENGINEERING COLLEGE CAMPUS
